Reconnect with nature.

- 1** **Prairie Platform**
 Witness the return of historic prairie grasses and plants that have all but disappeared due to agricultural grazing pressure, urban development, and subsidence.
- 2** **Bison Viewing Platform**
 Observe the original architects of the prairie from our elevated platform with tables and benches for your comfort.
- 3** **Boathouse Lookout**
 View the teeming wildlife along one of the last unchanneled bayous of the Houston area. Come back often to see the scene change with the seasons.

Protect nature. You're a part of it.

- For your safety and the safety of our wildlife, keep your pets at home.
- Hike and walk our trails, but please no bicycles or running.
- Take only pictures, leave only footprints.
